COMPENSATION Erasmus+ grant (3-12 months)

MORE DETAILS http://www.ofci.fr/what-can-i-do-at-ofci/

TO CONSIDER

- You need to be creative, flexible, enthusiastic and have a critical thinking approach to our NGO in order to bring new ideas to improve its overall performance as well as its value towards our local community
- If you think you are a good fit, just apply to join our cool full-time team in between 3 and 12 months
- English is mandatory (fluently) and French is optional

TASKS

- Write useful content of the activities done at OFCI
- Attend international projects throughout Europe
- Plan and organize events aligned to us / our budget
- Find innovative ways for this French organization to make a positive impact both locally and globally
- Deal with filling, scanning, sending and archiving Partnership Mandates under the Erasmus+ program
- Browse the top-notch nonprofit trends (Marketing, Fundraising, Community Management and others)
- Make Vlogs (plan some videos: goal, title, keywords, description & script + film the videos and edit them)
- Subtitle videos from English into other languages
- Fundraise: find feasible fundraising ideas, the needs and their impact, and operate the fundraising itself
- Contact our local and global partners or potential ones retrieved from Facebook and SALTO database to come up with beneficial long-lasting partnerships
- Design new visuals: business cards, flyers, posters, etc.
- Other tasks proposed by you (the sky is the limit!)
