

Dear Mr/Mrs,

Ascari it's a young flexible recruitment company focused on workers from light and heavy industry, transport and services. Established in Ostrava, in 2008 and, nowadays, one of the TOP 7 job agencies in the Czech Republic.

In the beginning of the year, our company started a project specifically for the IT field and that we ambition to expand to other countries, such as Netherlands, German-speaking countries, Romania, Bulgaria, Poland and Slovakia. This project intends to provide good and above average IT job solutions and services, by helping connect great IT workers with their dream jobs and great companies to find the best IT specialists. Our motto is "The Best to the Best" and that's the way we do everything, within the company and to our clients.

Currently, we open our internship program, in this project, to Bulgarian students and we would be pleased to have your students working with us and helping us expand our business to the Bulgarian market. The internship program is free and focuses on the international students and recently graduated, giving them the opportunity and the tools for a bright future by allowing them to explore several soft and hard skills, but also their English level and the possibility to choose between one of our 3 offices – in the Czech Republic and Germany.

As mentioned, the trainees are a substantial factor in the success of our company, therefore, their work is of high importance for us and quite diversified. More specifically, the tasks include Market Research and Analyses, Administrative Tasks, Marketing Tasks, HR and Sales Tasks, Calling and Contacting companies and clients. Nevertheless, to the best of our trainees, we are offering the possibility to stay in our company as full-time employees.

We would be most pleased to have your students in our company, to be part of our work and our young and international environment. Thus, students who are interested in applying for the internship program, just need to send an e-mail to LOURENCO@BOOMIT.NL with an English CV, in order for us to enter into contact with them.

Thank for your time and all our team wishes you joyful holidays!
