

Placement offer for law master students

Faculty of Law in Maribor is accepting postgraduate law students under the Erasmus work placement programme for short term (up to 4 months) work placements, offering experience both in research as well as in academic work. Preference will be given to the candidates interested in EU law field and with a very good knowledge of English and/or French.

Faculty of Law in Maribor is a member of University of Maribor, which is the second biggest and the second oldest university in Slovenia. Around 18 000 students study at the University of Maribor. It has seventeen faculties which offer undergraduate and postgraduate study programmes. The city of Maribor lies in the heart of Europe, offering a good point to explore Central as well as South East Europe.

Dr Janja HOJNIK is Associate Law Professor of the University of Maribor, Faculty of Law; teaching and researching in the field of EU Law.
